

# Eight Mile Plains Satellite Hospital

Bringing healthcare closer

**OPENING**  
27 MAY 2024

The **Minor Injury and Illness Clinic** will be open extended hours seven days a week — taking the pressure off our emergency departments. It will be **free** for people with a Medicare Card.

The Eight Mile Plains Satellite Hospital will also provide the following appointment based services:

Cancer day unit

Kidney dialysis

Specialist services

Allied health services

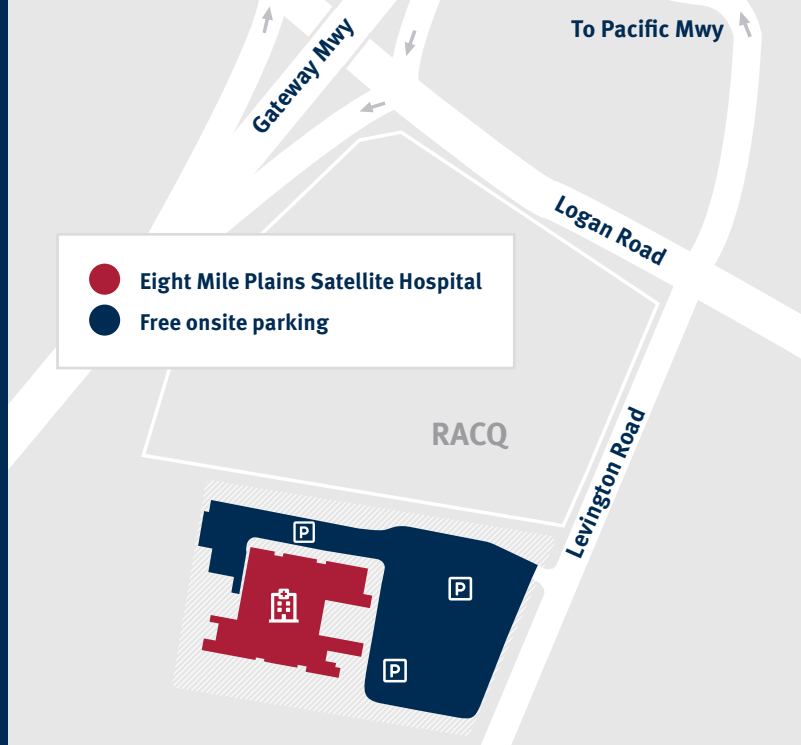

The new Minor Injury and Illness Clinic will be open 7 days a week from 8am to 10pm.

The clinic will provide **walk-in urgent care** for illnesses and injuries not anticipated to be life-threatening in nature.

 Located close to public transport networks:

**59 Levington Road,  
Eight Mile Plains**

 **Free onsite parking available**

Queensland Health staff will diagnose and treat conditions including:

- minor cuts and burns
- broken bones
- minor eye issues
- earache
- minor head injuries
- infections and rashes
- fever, coughs, cold.

The clinic will also provide medical imaging and diagnostic services, including x-ray, ultrasound and pathology.

## For more information

Scan the QR Code for more information on the services Eight Mile Plains Satellite Hospital will provide, or visit [metrosouth.health.qld.gov.au/EMPSH](https://metrosouth.health.qld.gov.au/EMPSH)

Patients requiring emergency care will need to visit an Emergency Department or call Triple Zero (000). For further advice and to speak to a healthcare professional, call **13 HEALTH** (13 43 25 84).
